AMERICAN SHIPS TO PAY TOLL

[Associated Press Cable].
WASHINGTON, D. C., Aug. 14.—Action of International importance was taken in a House conference today, at which it was positively decided to deny the right of American-owned vessels engaged in foreign trade to pass through the Panama Canal without paying tolls.
At this conference it was decided that the House should agree upon the policy of admitting free of duty all foreign shipbuilding materials for the purpose of encouraging the upbuilding of the American merchant marine.
The House conference also reached an agreement by which the Interstate Commerce Commission shall be empowered to have full control over and govern the rates of all combinations of competing railroad and steamship lines.
This proposed extension of the powers of this commission will undoubtedly be fought bitterly by the railroads, which have been seeking to curtail its powers through the commerce court of appeals.

NEW YORK VIGILANCE COMMITTEE NAMED
NEW YORK, N. Y., Aug. 14.—Aroused over the revelations in the police gambling graft, a great mass meeting of citizens here this evening took action in the matter which resulted in the naming of a vigilance committee composed of prominent men and women appointed to thoroughly investigate the scandal which has exceeded the worst exposure of the famous Lexow committee.

OCEANIC STEAMERS UNABLE TO COMPETE
WASHINGTON, D. C., Aug. 14.—The Oceanic Steamship Company, which has held the contract to carry the United States mails to Tahiti, French Oceania, has secured a cancellation of its contract on the ground that it will have to give up the service because it can not compete with the New Zealand steamship lines in this regard.

THINKS TAFT WILL WIN OUT.
CHICAGO, Ill., Aug. 14.—National Chairman Hillier, former private secretary to President Taft, declares that the President will have 384 votes in the electoral college out of thirty-four States already canvassed. Mr. Hillier conceded 114 votes to the Democrats and held that ten are "doubtful." He added that in four States in the West, including California, he feels sure that Mr. Taft will receive at least thirty-four votes. He falls to give a single vote to the Progressive party.

DEMOCRATS STICK TO ONE-BATTLESHIP PROGRAM
WASHINGTON, D. C., Aug. 14.—The Democrats in the House held another caucus today, in which the question of the policy restricting the appropriation to one battleship was the subject of debate. It was again decided, in spite of the efforts of a minority, to stand for only a one-battleship program.

ACCUSES ROOSEVELT OF TRUST DEALINGS
WASHINGTON, D. C., Aug. 14.—Congressman A. O. Stanley, Democrat, of Kentucky today took occasion in the House to denounce Col. Roosevelt and George W. Perkins, partner of J. Pierpont Morgan, as sponsors for the Steel Trust, which he accused them of protecting. His remarks caused a sensation.

ager Stewart was instituted four years ago, and the affair is held in August when the largest number of Hawaiian people are in San Francisco.

Abe Ruef tells more about the Home Telephone franchise bribery, and states that Halsey, the outside man of the other company, demanded a return of the \$50,000 which had been divided among the Supervisors.

The third party in Washington will place a full congressional, State and county ticket in the field. So much has been decided by the Progressive leaders of that State.

It is announced that England is again planning to send a polo team to this country to challenge for the international cup. The Duke of Westminster will have sole charge of the expedition, and will bear most of the financial burden.

Governor Woodrow Wilson is rejoicing over the action of the House in passing the wool bill over the President's veto. He expressed a wish that the Senate would do the same.

The Democratic cotton tariff bill passed the Senate yesterday by a vote of 36 to 19. It carried an amendment recalling all the Canadian reciprocity agreements with the exception of the free paper provision.

No trace of C. E. Greenfield, who was last seen in company with high eight-year-old stepdaughter, whose body was found in a lodging house in Venice, Cal., has been found. He is a sheet metal worker.

It is rumored in Washington that Colonel Goethals, chief of Panama canal construction, is to be promoted as chief of staff of the army. He will receive other honors as soon as the big ditch is finished.

Word from Oyster Bay states that the Roosevelt campaign is to open Friday night with a speech by Colonel Roosevelt himself at Providence, Rhode Island. Next to his confession of faith at the third party convention in Chicago, this address is believed to be the most important made by the rough rider to date, on the theory that he will give his impressions of the issues in the fight to the voters of the country.

Collector of the Port Stratton declared yesterday that he has positive evidence that there are many thousands of dollars worth of contraband opium on board the Pacific Mail liner China, which is scheduled to sail for the Orient Saturday. No attempt has been made to land it while at the Coast port.

Grave doubt concerning the fate of the steamship Corsican, which collided with an iceberg yesterday, was cleared away today when a wireless message from the damaged liner stated, "All's well, fog lifted, and vessel proceeding."

Miss Julia Langhorne, daughter of Mr. and Mrs. James Potter Langhorne, and a popular society bell of San Francisco, was married there last night to Lieutenant James Parker, U. S. N., at St. Luke's church.

Sugar took a drop of ten cents a hundredweight in San Francisco yesterday. This brings the price from \$5.40 to \$5.30, the lowest it has reached for years. It is just possible that a further reduction may be announced within a few days.

The Federal Sugar Refining Company, an independent concern controlled by Gus Spreckels, is operating in opposition to that of his brother, John D. Spreckels, and has invaded the local territory, and there is talk of a price war in consequence.

The Coast Grand Jury has begun an investigation into the affairs of the Continental Building & Loan Association and the conduct of William Corbin, the general manager.

Miss Catherine Elliott, eighteen years old, applied at the navy recruiting station at Newburg, N. Y., for enlistment in the navy. She gave as her birthplace "at sea bound from Melbourne to New Orleans," and said that she was "raised afloat." Miss Elliott was disappointed when she learned that the navy is for "men only."

The Senate yesterday deliberately struck at President Taft when it passed the army appropriation bill by replacing in the bill the clause which caused the President to veto the bill in the first place. The appropriation bill carries a total of \$94,000,000 for the army. It is still possible that the President will again veto it.

Attorney Earl Rogers, counsel for Clarence Darrow, on trial here on the charge of having bribed a juror in the famous McNamara case, created a sensation in the courtroom, when in the closing remarks of his argument for his client, he bitterly denounced the prosecution.

Mrs. Alice Brown, accused of having killed her adorer, David Napping, of something like \$17,000 denies that she ever promised to marry him in return for the money he lavished upon her during their courtship of more than a year. Napping, who comes from Illinois, states that Mrs. Brown promised to marry him as soon as she could win her freedom in the divorce court.

For news and the truth about it, all people buy the Star-Bulletin.
